

Internal Medicine

Palomar Medical Group a multi-specialty internal medicine office located next to a major full service level IV medical center in North San Diego County seeks a BC/BE general internist. This position requires an individual who wants to practice the full spectrum of general internal medicine including outpatient and inpatient management. Practice location is 30 minutes from San Diego / Pacific Ocean with exceptional climate, education, recreational and cultural activities.

A generous benefit package included with partnership possible after two years. Night and weekend call are generally 1:5 and we offer immediate availability.
